I am Bob Harris, REALTOR®, I can help you buy and sell homes, land, and waterfront properties in **Nova Scotia**.

Here are some details on my experience and past awards:

I returned to Nova Scotia in the early 1990's to pursue a career in real estate. Prior to this I have spent thirty years in Toronto, Ontario initiating many ventures beginning at a young age. I always wanted to work in professions with the goal of meeting the needs of my clients and customers. To date, my past career choices include hotel management, restaurant owner / operations, level one care owner for seniors, and I was recruited by specialized companies to 'reshape' and return anxious businesses to profit.

With an avid interest in home restoration and design I very much continue to enjoy and be involved with many renovation projects. It is this background in entrepreneurship and a love for construction that became a natural move for me to real estate. My passion to work to 'please my clients' has paved this path for me as creator, owner, Broker and working agent of Coastal Winds Realty Ltd for approximately 8 years.

Where I am today, both professionally and personally, is a direct result of my continued commitment to working hard and learning, an appreciation for honesty and professionalism, and in recognizing the value and importance of teamwork.

- Licensed salesperson since 1996;
- Bronze & Silver Award winner;
- ABR (Accredited Buyer Representative); and
